Professional recommendation letter

The Association of Lawyers of Russia, in the person of the Chief of the Association of Lawyers of Russia is delighted to recommend Elvira Vagizova to consider her candidacy for admission to your university. Russian Juridical Community appreciates her contribution and achievements in legal practice and science.

When she was a student, Elvira actively participated with scientific reports on legal forums, did organizational support during international scientific-practical conferences, forums, as well as sports events, which were organized by the Association of Lawyers of Russia.

In 2011 she was awarded with the diploma of the Minister of Justice of the Republic of Tatarstan for the contribution to development of youth movement Association of Lawyers of Russia.

In 2012 Elvira was awarded the certificate of Association of Lawyers of Russia according to the results of the course of lectures on the basics of the electoral legislation of Russia.

From 2012 until now Elvira heads the Commission for improving the legislation that deals with public expertise of projects of normative legal acts and other public documents.

From 2014 to 2015 Elvira Vagizova was the Chief of the Association of Lawyers of Russia at the Republic of Tatarstan affiliate. By the end of her performance as the chief of the affiliate she was awarded with Appreciation letter from the Ministry of education and science of the Republic of Tatarstan for legal education and education of the younger generation. She was also awarded with Appreciation letter from the Faculty of Law of Kazan Federal University for active and fruitful cooperation in the process of organizing and conducting Republican Historical-Legal Tournament.

In 2014 the Chairman of Association of Lawyers of Russia awarded Elvira with diploma for significant contribution to the development of the Association.

Elvira also created a methodological manual for citizens on hereditary and human rights.

For the time being, Elvira Vagizova is engaged in legal education, examination of projects of normative acts, while working in the Association.

Thus, the above achievements of Elvira Vagizova give us the opportunity to mark her professional and personal qualities as of one of the best representatives of the legal community in Russia and a worthy candidate for admission to your program.

Chief of staff of the Executive Office

S.V. Aleksandrov
